## Specification

### ENGINE

Four in line, side valves. 63.5 mm. bore x 92.5 mm. stroke.  
Capacity 1,172 c.c. (71.55 cu. ins.) Piston area. 19.64 sq. ins.

**Torque lb. ft.**

46.4 at 2,400 r.p.m. or 54 at 2,150 r.p.m.

**B.H.P.**

31 at 4,200 r.p.m. or 36 at 4,400 r.p.m.

**Compression Ratio.**

6.16 : 1 and 7.6 : 1 or 7.0 : 1 and 7.8 : 1.

**Carburation.**

Single down draft or twin semi-down draft S.U.

Alternatively Roots type supercharging equipment using single horizontal S.U.

**Ignition**

Coil.

**Plugs**

L.10 or L.10.S Champion.

**Exhaust**

Alternative divided exhaust manifold available for installation as required.

**Cooling**

Thermo-syphon, fan assisted or pump induced circulation fan assisted.

### TRANSMISSION

**Clutch**

Single dry plate.

**Gear Ratios**

Top 5.5 or 4.72

2nd 9.71 or 8.29

1st 16.89 or 14.43

Rev. 22.08 or 18.87

Drive shaft enclosed in torque tube. Final drive by spiral bevel.

Gearbox remote controlled from central position.

### CHASSIS

Rigid tubular construction.

**Brakes**

Girling mechanical, 85 sq. in. friction lining area. Internal right hand lever hand brake. Outside competition control available if specified.

**Suspension**

Front-Transverse. Rear-Coil.

**Shock Absorbers**

Double acting telescopic.

**Wheel Equipment**

Front 450 x 17 or 475 x 16.

Rear 550 x 16 or 600 x 16.

**Stabilisers**

Front and rear.

### DIMENSIONS

Wheelbase	...	...	...	6ft. 10½ in.
Track	...	...	...	3ft. 9 in.
Length	...	...	...	11ft. 4 in.
Width	...	...	...	4ft. 7 in.
Height (over screen)	...	...	...	4ft. 4½ in.
Height (screen flat)	...	...	...	3ft. 8 in.
Ground clearance	...	...	...	9 in.
Turning circle	...	...	...	28ft. 6 in.
Dry weight	...	...	...	11½ cwt. (1,288 lbs.)
Fuel Tank	...	...	...	15 imperial gallons.

### BODY

Light alloy panelling on tubular frame. Fold flat windscreen. Cars can be finished and trimmed in colours to customer's specification. Standard schemes are in Clipper Blue, Anzac Red, Black and Metallic Grey, British Racing Green with Red or Tan upholstery.

Electrical Equipment by Joseph Lucas Ltd.

Competition Awards, too numerous to detail, totalling over 1,000 in recent seasons, have been won by Dellow owners.

The right is reserved to vary the specification at any time without notice.

### CONDITIONS OF SALE

The goods manufactured by Dellow Motors Ltd. are supplied with an express warranty which excludes all warranties, liabilities and conditions whatsoever implied by Common Law, Statute or otherwise. The Company reserve the right to vary the list price and or specification at any time. All goods are invoiced at the prices ruling at the date of delivery. Every precaution has been taken to ensure accuracy of details appearing in publications, but the Company accept no liability for errors or omissions.

### GUARANTEE

All Warranties, Conditions or Guarantees as to quality or fitness for the purpose for which goods are sold, or as to any other matter implied by Common Law, Statute or otherwise are in all cases excluded.

The Company guarantee to repair or supply free of charge any part or parts which may become faulty, due to defective material or workmanship, within six months from date of purchase provided that :

(a) The Car is still in the possession of the original purchaser.

(b) The Owner communicates with the Company immediately the fault becomes apparent.

(c) The Owner sends the car or alleged faulty part or parts to the Company, carriage paid, stating the Chassis and Engine No. and date of purchase.

All rights or liability under this Guarantee will be cancelled if the Car is used for racing or competition work without the Company's consent in writing.

The Company's guarantee does not include proprietary articles manufactured by other firms, but such warranty as these manufacturers' issue is transferred to the customer.

The Company's liability is confined to the free replacement of the agreed defective material, it does not include the removal of the faulty parts and the fitting of such new material as the Company may agree to supply.
